

To the Members of the California State Assembly:

I am returning Assembly Bill 1898 without my signature.

This bill would change the composition of the Emergency Medical Services Commission (Commission) and add a new member.

The report on the reorganization of state government by the California Performance Review (CPR) recommended the elimination of the Commission. If after review and vetting of the CPR's recommendations the work of the Commission is deemed to be vital to the emergency medical services system of California, then the decision will be made of whether its composition should be changed.

For this reason I am returning this bill without my signature.

Sincerely,

Arnold Schwarzenegger
